DETAILED ACTION

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114.

Response to Amendment

2. Applicant's amendment filed on September 29, 2005 has been entered. Claims 1 and 15 have been amended. No claim has been cancelled, or added. Claims 1-19 are still pending in this application, with claims 1 and 15 being independent.

Allowable Subject Matter

3. Claims 1-19 are allowed.

The following is an examiner's statement of reasons for allowance:

Applicant teaches an illumination assembly for a vehicle, such assembly having a front illumination unit, a side illumination unit, a translucent-lens/light-transmitting unit and a frame. The frame directly supports a one-piece lens and a reflector included in

the translucent-lens/light-transmitting and front illumination unit, respectively. The frame also includes a portion for attaching the frame to a front portion of the vehicle body.

KOKAI (Japanese Utility Model Application No. JP-A-4-122238U) discloses a translucent lens 4 attached to a reflector unit 5, such reflector unit being attached to a mounting frame 9 which is then attached to a vehicle 1. KOKAI fails to disclose, or even suggest, both the translucent lens 4 and the reflector unit 5 being directly supported by the mounting frame 4.

No prior art was found teaching individually, or suggesting in combination, all of the features of the applicants' invention, specifically the frame directly supporting the lens and reflector, in combination with the claimed vehicle illumination assembly.

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
